Pow Wow Regulations

The Pow Wow Committee is now accepting applications for Native American Craft and food vendor's spaces. Spaces 1 through 18 (20 feet by 25 feet), will be furnished with electrical power. These spaces will be \$40 per day, August 18th and 19th. These spaces will not be available for use until 5:00 p.m. on Friday, August 17th. No early entries, no exceptions!

The covered area will be available with 8 spaces (8 feet by 15 feet). Lighting will be available, no electrical outlets will be supplied. These spaces for the covered area will be \$20 per day, August 18th and 19th. Set-up entry will be at 5:00 p.m. on Friday, August 17th. No security will be provided for the night of Friday the 17th. The Pow Wow Committee will not be responsible for individual wares and possessions.

A limited number of non-power spaces will be available on the outside perimeter of the designated vendor area, to be determined by the Pow Wow Committee.

All reservations are available on a "first come, first serve basis." Please fill your application out specifying what you intend to peddle, and whether you will need electrical power. Sorry, the Pow Wow Committee will not provide 220 volt hookups.

Your application confirmation will be mailed back to you with the specific number assigned, as shown on the map. If you do not have a written confirmation with you, the Pow Wow reserves the right to deny you a space.

The Pow Wow Committee will not allow the following things to be sold at the 1990 Pow Wow. Squirt guns, Nerf ball guns, or fireworks of any kind, period!
 Our Pow Wow is not a place for novelties to be sold. If you have any of the previously listed items, please leave them behind.
 We regret that we have a limited number of spaces but, until the Tribe is able to establish our own Pow Wow area, we must limit the number of vendors and areas designated for electrical power. Please bear with us.
