

1990 HUNTING GUIDELINES

The Fish and Wildlife Committee will be issuing 350 deer, 45 elk and 5 bear tags to eligible tribal members for the 1990 hunting season. The following guidelines have been adopted by the Fish and Wildlife Committee to give as many tribal members as possible the opportunity to use their hunting privileges.

Tribal members, please remember that you still must follow State hunting laws, seasons and bag limits. Tags issued by the Tribe are only valid in the Trask Management Unit (consult your Hunting, Fishing, and Gathering Handbook for description. If you need another handbook, contact Brent at the tribal office).

To exercise your tribal hunting privileges, you must have: 1) a tribal Identification Card; 2) a valid annual hunting sticker attached to the back of the I.D. card and; 3) the appropriate deer, elk or bear tag issued by the Tribe.

This year, bow deer, general deer and muzzleloader deer tags will be available on a first come, first serve basis. To apply for bow elk, general elk, general bear or control/damage elk tags, you must complete and return the appropriate application for the type and species of hunt you are interested in.

The tag winners for the bow elk, general elk, control/damage elk and general bear hunts will be selected and announced at a public drawing. The drawing will be held on Tuesday, August 7, 1990 at 6:30 p.m. at the Tribal Office.

SEE BELOW FOR MORE SPECIFIC INFORMATION.

Any tags received after the deadline will not be considered for the drawing and will be returned to the applicant.

The tag winners will be selected and announced at the public drawing held at 6:30 p.m. on August 7th at the Tribal Office.

Winners will need to pick their tags up in person. Tags can be picked up following the drawing on August 7th, during regular business hours Monday through Friday,

or on the specified hours listed in next month's newsletter for the annual Pow Wow on August 17th, 18th and 19th.

If you are traveling from out town to pick up tags, please call ahead to be sure someone is available to issue tags.

BOW ELK:

Ten Bow Elk tags will be available for the season, August 25 to September 23, 1990.

Those interested in the Bow Elk hunt may also submit an application for a General Elk hunt, but their name will be withdrawn from the General Elk hunt if they win a bow tag. Those interested in the Bow Elk hunt may also submit an application for a General Elk hunt, but their name will be withdrawn from the General Elk hunt if they win a bow tag.

The drawing for these tags will be held on August 7, 1990 at 6:30 p.m. at the Tribal Office. Tag winners will be assigned a specific hunt according to the rank they are drawn. These tags will be issued later in the year.
