Tribal Forester Cliff Adams

## Forestry:

Director: Cliff Adams, Forester - Jeff Kuust, Forest Technician - Jeff Nepstad, Forest Technician - Ken Cram, Patrol Officer - Marcellus Norwest, Secretary - Connie Monson;

The Tribal Forestry program is responsible for the management of the Tribal forest lands. This involves activities such as marketing, reforestation, precommercial thinning, and fire protection. In addition to the aforementioned activities, the Tribal forestry program issues permits to allow the harvesting and gathering of minor forest products such as firewood (when available), moss, salal, and cascara. For more information about the Tribal forestry program call Connie at 879-5522.
