Editor's Note

I just wanted to take this opportunity to say thank you to the general membership and the staff at the Confederated Tribes of Grand Ronde. This will be my last issue as editor of the "Smoke Signals" since I have accepted a position with the Northwest Indian Fisheries Commission in Washington.

Although it has been an up and down two years since coming to work for the Tribe in May of 1989, I feel that I am a better person for the experience and the things that I have learned. I will always do my best to represent the people of Grand Ronde in the best possible way that I can and, I can't wait for the Pow Wow.

See you then,

Brent A. Merrill
