1992 Ethnic Arts Celebration

Mid-Valley Arts Council is a non-profit organization in Salem, committed to serving the tri-county region of Marion, Polk and Yamhill counties. In our effort to celebrate the cultural diversity of our communities, we sponsor an annual Ethnic Arts Celebration. The event features a month-long, non-juried visual arts exhibit and a performing artists showcase on opening day. Our third annual Celebration will be held this September.

The 1991 Ethnic Arts Celebration, which was held at the Salem Public Library, was very successful. Twenty-eight artist from many different traditions and ethnic origins exhibited their work. Eight individuals/groups participated in the performance showcase which was the official kick-off for the exhibit. The community response was great; attracting a full-house on opening day.

We are very excited about this year's Celebration. We hope to have even more ethnic groups represented in both the visual exhibit and the performance showcase.

Would you, or someone you know, be interested in participating in this year's Celebration? We want visual and performing artists whose work reflects their cultural heritage, which may be either traditional or contemporary.
