

NEWS AND ANNOUNCEMENTS

Going Home

Tribal Member Fremond F. Bean passed away September 10, 1992 at his home in Salem. His family would like to express their heartfelt appreciation to everyone who helped them through their grief. To father Jim, Gilbert Towner, Siletz Singing and Dancing Drum, Bill Wilson, Cemetery Committee, Butch LaBonte, Buddy Haskins and the grave crew, Wilmadene Butler and all the kitchen staff, all of the people who brought food and flowers, and others not mentioned here. We do not intentionally forget you--from our hearts we would like to say this: "Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral piece, if so we saw it there. Perhaps you spoke the most kind words, as any friend could say; perhaps you were not there at all, but thought of us that day. Whatever you did to console our hearts, we thank you so much for the part you played."

Sincerely,
The Bean Family

Fremond Bean

Medicine Wolf Can and Bottle Drive

MEDICINE WOLF ALUMNI is a group of people in recovery from drugs, alcohol, co-dependency, abuse/dysfunctional behavior, or any combination of the above.

Through the Aftercare process, some people in recovery formed an alumni fellowship. From this alumni group it became evident that there are needs for people in recovery other than a support network. There are needs for housing, jobs, child care, and community interaction to help people gain self-esteem that was lacking before treatment and the recovery process.

MEDICINE WOLF ALUMNI is dedicated to support those in recovery. The members work to do this through encouraging a drug and alcohol free life-style, and supporting healthy living activities.

Currently, MEDICINE WOLF ALUMNI is promoting a can and bottle drive to help raise money for their organization. The drive will be on-going for everyone's convenience. All cash donations are welcome as well. For more information contact Kelly at 876-2423.

The people participating in the first weekend will have first choice at spaces for the second weekend. Native American with traditional and non-traditional arts & crafts are encouraged to participate. For more information please call Lucy Jackson at 783-2445, or Ceejay Jackson at 882-6952.

Alcohol & Drug Receives Favorable Review

Indian Health Services representative Dr. Bob Johnson reviewed the Confederated Tribes of Grand Ronde Substance Abuse Program and gave it 269 points of a possible 300. The scoring process determines the effectiveness of rehabilitation and prevention component's in the tribal program. The administrative areas to be reviewed include all aspects of operating an alcoholism/substance abuse program from the policies and procedures manual, to personnel issues.

As a result of the Alcohol and Drug Programs total score, it is considered to be a Number 1 Program to be reviewed every three years.
