SKYDOME

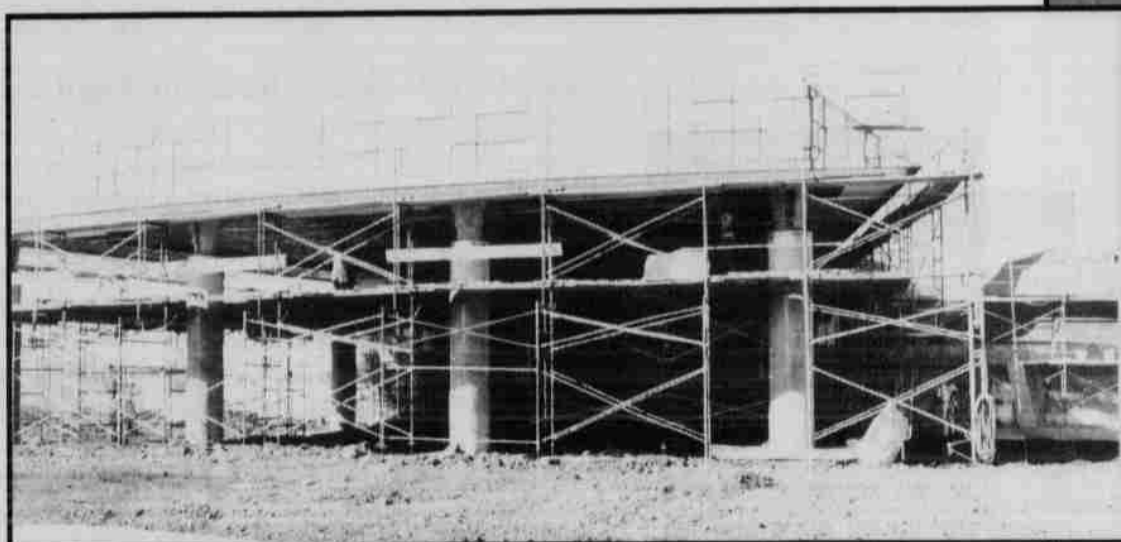

UNDERPASS

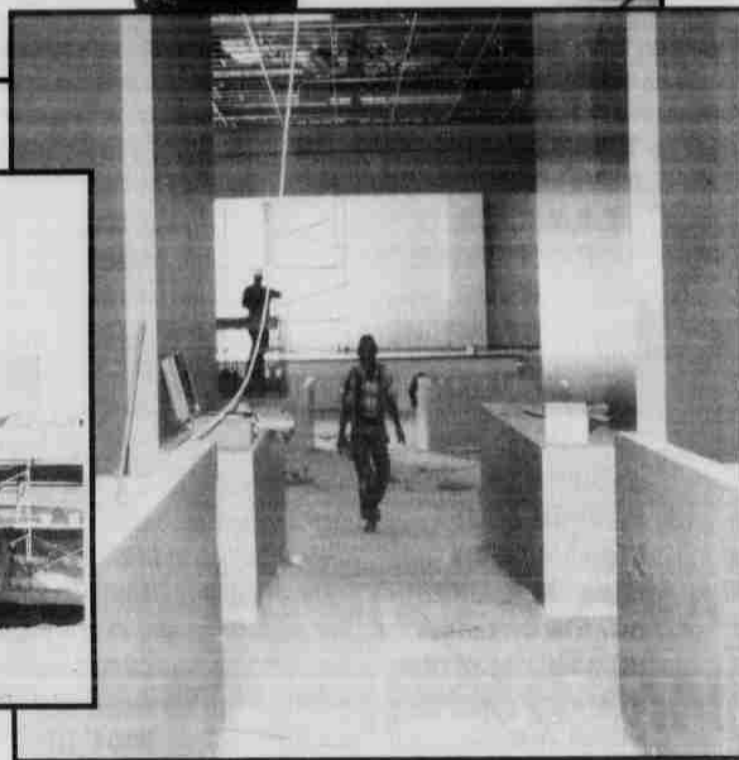

BUFFET AREA

THE GRAND TOUR: Photos of casino construction in different phases, including the interior, which is now nearing completion. Clockwise from top: The skydome in the entrance will let in natural light and add to the wood and rock motif; a sideview of the underpass which will allow traffic to flow unobstructed off the highway; the entrance to the casino will feature the bronze statue of Martha Jane Sands as well as a 20-foot fir tree; the 500-seat bingo hall will also boast a stage for live entertainment; final construction stages include completing the entrance and parking lot.

FRONT ENTRANCE

STAGE, BINGO, AND NON-SMOKING GAMING
