A total of 73 tribal members have earned their certificates or degrees from 1986 through 1995 while participating in the Tribe's Education Programs.

The Education Division is currently gathering information and pictures to put in a ten-year annual to include all program graduates from 1986-1996.

Graduates will be receiving an information form in the mail and we hope you will fill out and return them to the Education Division. Please include a picture of yourself!
