

Art needed for Health Center

Dear Tribal Member Artists:

The Confederated Tribes of Grand Ronde is beginning construction of its Health and Wellness building. The facility is scheduled for completion, July 1997. We, the tribal Health and Human Services (HHS) Committee are working on gracing our facility with fine art work. We believe that our own tribal members are gifted artists and we are extending this opportunity to you to show your work.

The HHS Committee has developed a budget for purchasing tribal member art work. We cordially invite you to submit a portfolio of a sampling of your art work so that selections can be made. While we would love to view your art work first hand, we do not want to have it damaged by mail or mishandling; therefore, we are asking that you send a portfolio of your art which includes photographs and a brief description of each piece. The art work can be made from textiles, leather, metals, etc., which would include carvings, paintings, sculptures, beadwork, photography, basketry, pottery, etc. The theme of the art should depict our northwest and coastal culture and heritage. Please include a price for each article.

Portfolio Submission Date: OCTOBER 1, 1996

**Final Date for Accepting Portfolio:
DECEMBER 31, 1996**

Send your portfolio to: Health & Human Services Committee, Confederated Tribes of Grand Ronde, 9615 Grand Ronde Road, Grand Ronde, OR 97347.
