

Health and Wellness Center open to public

Dr. James Molloy and Dr. Glenn Gerritz are both available to see patients. Molloy left his Sheridan practice and when asked how he likes the new clinic he responded, "I love it and I'm really enjoying it."

From the ceiling hangs a salmon mobile. Displayed atop the rustic pillars are beautifully carved animals, and also part of the decor are hand-crafted masks.

The Health and Wellness Center is now up and running. Physicians and pharmacy are available to community and tribal members Monday through Friday from 8 a.m. to 5 p.m. Walk-in service is daily from 8 to 9 a.m.
