

## Save your labels to help local school; Tribal preschool

Campbell's Labels for Education™ program has been helping schools for over 23 years. In these times of tight budgets, the program has proven itself as an invaluable aid to education. It helps by providing the educational "extras" that enhance each child's learning experience.

The Labels for Education™ program, sponsored by the Campbell Soup Company, is actually quite simple. Through March 1, 1998 students from Grand Ronde Elementary (GRES) and Twah Sunchako Learning Center (Tribal preschool) will be collecting labels from over 1,000 Campbell made products. Thanks to the Campbell's Label for Education™ program, our schools can obtain much needed educational and athletic equipment free of charge. However, they need your help.

Grand Ronde Elementary's goal is to collect 10,000 labels to obtain computer software, science equipment, and sports equipment for P.E. Twah Sunchako's goal is to also collect 10,000 labels to obtain preschool learning equipment.

We are asking everyone in our community to help by saving the labels and proofs of purchase from this list of Campbell products. You may give them to students, or drop them off at GRES, Twah Sunchako, or the Tribal Education Division. For long distance participants you may mail your labels to CTGR Education, 9615 Grand Ronde Road, Grand Ronde, OR 97347.

Please join us in this worthwhile effort. This handy chart shows the participating Campbell products and exactly what proof-of-purchase to save from each. Please hang it on your refrigerator or recycling bin as a reminder — and pass along a copy to friends and family who would like to help! Thank you in advance for your support and cooperation.
