Pre-paid legal service plan available to members

Tribal members now have access to a new legal service plan through Pre-paid Legal Services, Inc. (PPLSI). PPLSI is a large national company and can provide a large comprehensive range of legal services to members regardless of where they reside.

Membership participation is on a voluntary self-pay basis. The cost of this valuable service is only \$14.95 per month per head of household. Household coverage will include head of household, spouse, and dependent children. This will cover non-member spouses and children as well. The service plan is comprehensive including help with existing conditions. Just like auto insurance or life insurance, you never know when you will need legal services. A Pre-Paid Legal Plan is affordable peace of mind.

Dear tribal members:

I have recently accepted a new position as a Billing Specialist. I just wanted to say thank you to all of you that I have had the opportunity to work with and help. It was a joy to work in Contract Health and I will miss all of you. It was time to move on to a different position, to better myself. I hope to still hear from all of you, and even meet some of you in person if I haven't already. I am still helping out in Contract Health a little until my position is filled, so you will still find my name on the voice tree. If you have questions or need authorization, please call Penny DeLoe at 879-2011. Thank you again and have a great day!

Julie Little, Billing Specialist
