

www.grandronde.org

If you have access to the World Wide Web, check out the Tribe's web site at www.grandronde.org. This is a new site and new technology for most of us, as you will see that some program pages are still "under construction." Don't let that stop you... there is already some good information on the Grand Ronde Gaming Commission, Small Business Development, Human Resources, and Spirit Mountain Casino.

On the HR page you can access the current job listings by clicking on "job listings," then for "user name" type in your first and last name, and the password is "guest."

Small Business Development has everything you need to know and more! On one of these many web pages is a list of the 59 businesses owned and operated by tribal members (below). If you have a business you would like listed or are interested in starting a business, call SBD at 879-2476 or 1-800-422-0232.
