

Save your labels and box tops to help your local school

Campbell's Labels for Education™ program has been helping schools for over 24 years. In these times of tight budgets, the program has proven itself as an invaluable aid to education. It helps by providing the educational "extras" that enhance each child's learning experience.

The Labels for Education™ program sponsored by the Campbell Soup Company, and Box Tops for Education™ sponsored by General Mills, is actually quite simple. Throughout the school year students will be collecting labels from Campbell and General Mills made products. Thanks to these programs, our schools can obtain much needed educational and athletic equipment free of charge. However, they need your help.

We are asking everyone in our community to help by saving the labels with proofs of purchase and box tops from the list below. You may give them to students or drop them off at Grand Ronde Elementary School. Twah Sunchako Preschool and Headstart will be collecting at a later date. Please start saving now! If you do not live in this area, many schools and grocery stores around the country are also collecting labels.

Please join us in this worthwhile effort. This handy chart shows the participating Campbell and General Mills products and exactly what proof-of-purchase to save from each. Please hang it on your refrigerator or recycling bin as a reminder — and pass along a copy to friends and family who would like to help! Thank you in advance for your support and cooperation.

Clip and save in your kitchen for easy reference

HERE'S WHAT TO SAVE

Product — Package — What to Save
