

Invitation from Nanitch staff

The staff at Nanitch Sahallie Youth Treatment Center in Keizer, Oregon welcome the presence of tribal Elders and crafters every night from 6-7:30 p.m. for Native American activities and visiting with the clients. They are also welcome to share lunch with the staff and clients every day except Wednesday, when the clients are off-site. Embracing traditional values and wisdom from Elders is an important part in the recovery of Nanitch's young people. If you are interested in visiting Nanitch Sahallie, please call 1-800-552-0939 or (503) 390-5904.

A message from Community Resources department

- As you are aware, there will be a disbursement of funds on December 15, 1999 to all eligible members. Due to this, all Emergency Assistance and Benevolence funds will be suspended from 12-15-99 to 1-15-2000. Prior to 12-15-99, you can continue to apply for these assistance programs through our department and your requests will be processed on a case by case basis.
- We also want to announce some changes and additions to our programs. As of 11-15-99, all social service intakes requesting assistance from our programs will no longer be handled by Alan Ham at the clinic. Instead, the social service intakes will be handled by Community Resources. This change is intended to simplify the delivery service system.
- Beginning January 1st, we will be adding two new services. On an ongoing basis, there will be a Life Skills Training Class and Anger Management/Violence Intervention Treatment. If you are interested in applying for any of the above-mentioned services, contact the Community Resources department at 879-2034 or toll free at 1-800-242-8196.
- The department manager and staff of the CTGR Community Resources Department would like to wish everyone a happy, safe, and peaceful holiday season!

Prevention survey winner

Thanks to all those who took the time to fill out and return our Prevention survey. In response to this survey, **LARRY LEWIS** won the drawing for the \$25 held for those who returned their survey by November 1. We wish to thank Larry and others for their quick response. I also would like to encourage others who have not returned their survey to do so. As the Prevention Coordinator, I would welcome any suggestions you might have. Making it safe for our young people is everyone's responsibility.

Robert Schmid
Prevention Coordinator

Happy Birthday

Kristina Dizick - Nov. 9
Christopher Dizick - Dec. 11

Love Mom & family
