

Extra deputies on duty 4th of July weekend to ensure safety

The Yamhill County Sheriff's Office will be joining more than 300 law enforcement agencies in Oregon and Washington, as well as British Columbia, in a stepped-up traffic safety enforcement effort around the July 4th holiday weekend.

The multi-agency effort is a part of the **Three Flags International Safety Belt campaign**, aimed at saving lives and reducing the number of injuries and deaths due to traf-

fic crashes. The ten-day enforcement campaign begins Friday, June 30 and concludes on Sunday, July 9.

The focus for this Three Flags campaign will be targeting speeding violations, impaired or drunk drivers and insuring proper seat belt or child safety seat usage.

Yamhill County Sheriff's deputies will be patrolling Highway 18 and 99W, as well as local smaller feeder routes, to maintain safe routes for

motorists who may be traveling to the Oregon Coast or other vacation destinations.

Deputies will be reminding drivers that children under the age 12 should be safely restrained in the back seat of a vehicle, with children under either age four or less than 40 pounds weight riding a correctly installed safety seat.

"Never have a child car seat up front, especially in cars equipped

with air bags," says Yamhill County Sheriff Norm Hand. "Please also remember that air bags are a 'supplemental' restraint system, they assist the seat belt during a crash. The air bag does not eliminate the need to wear a seat belt, in fact since an air bag deploys at about 200 miles per hour, the driver or passenger who is not belted in may be seriously injured when the air bag inflates."

Farewell to Grand Ronde Principal

Photo by Justin Phillips

The kids who attend the Tribe's Before and After School Care program and Grand Ronde Elementary surprised Kathy Sumner with a beautiful Pendleton blanket at her going away party. Sumner served as Grand Ronde principal for eight years.

FOOD BANK UPDATE

The Grand Ronde Resource Center Food Bank will be closed July 4.

CLINIC CLIENTS: Patient registration requesting your patience

Lottie Child would like to say good-bye to all Tribal and non-Tribal families who she has meet at the patient registration desk. She will leaving the Medical Clinic to work at Spirit Mountain Casino.

"I will miss all of you. You're not just my friends, you are my family. I pray The Great Spirit will take good care of you," said Lottie.

Please be patient with the registration desk at the Grand Ronde Health and Wellness Center during this transition until the job position is filled. Thank you and sorry for any inconvenience.

Myths: Breast cancer is a young woman's disease. ♦ It always runs in the family. ♦ Women over 50 don't need an annual mammogram.

Facts: Seventy-five percent of all breast cancers occur in women 50 and older. And even though family history increases your risk, 80 percent of women who get breast cancer have no family history. Mammograms are the best way to find breast cancer early, at its most treatable stage.

Early detection saves lives.
