

**FELLOWSHIP & INTERN OPPORTUNITIES**

**Native Health Policy Fellowship**

The Henry J. Kaiser Family Foundation awards fellowships to outstanding Native American individuals who have made their career in health and welfare related fields and are interested in health policy.

Fellowships are designed to give Native American health and welfare leaders an opportunity to learn more about national health and welfare policy issues that affect Native Americans and gain a better understanding of the national policymaking process from a first-hand perspective.

Inquiries and requests for applications should be directed to:
