

◀ **Friday Night in Willamina** — The scene in Willamina on Friday, September 21 was the big rivalry high school football game between the Willamina Bulldogs and the Sheridan Spartans. Tribal member Matt Zimbrick #81 (center of photo on the left) stood tall before the game with teammates Brandon Lee (#63), Jason Bergan (#79), Eric Fendall (#21) and Bret Pond (#85) and after the game when the 'Dogs won 42-6. Zimbrick caught a pair of two-point conversions in the win. Willamina picked up their first win of the season in the victory over Sheridan and stand at 1-0 in the West Valley League and 1-2 overall. Sheridan is now 0-1 in league play and 0-3 overall.

BONE DENSITY TESTING: October 5

"Our bones carry us through life. Healthy bones help us stay independent and active, while unhealthy bones can lead to injuries, immobility, chronic pain and dependency. Bones are a living matter. Older bone is constantly being replaced by new bone. In our early years, this process is relatively balanced. But after our mid-30s, we slowly begin to lose more bone mass than we gain." — copied from Positive Line
