OPEN FOR COMMENT

Proposed Amendments to Gaming Ordinance

The Tribal Council, in consultation with the Tribal Attorney's Office, has proposed several amendments to the Gaming Ordinance. The first reading of the proposed amendments to the Gaming Ordinance was presented at the October 10, 2001, Tribal Council Meeting.

The purpose of the amendments is to make technical corrections to various provisions of the Ordinance and to make necessary substantive changes to the Ordinance to update the Ordinance in light of current Gaming Commission and Spirit Mountain Gaming, Inc. practices. The substantive changes include, but are not limited to, expanding the right of appeal to the Tribal Court, providing definitions for High and Low Security Licensees, providing that three of the five Commissioners be Tribal members, amending educational and/or experience requirements of Commissioners, removing detailed provisions governing use of management contracts, clarifying that Commission meetings on individual licensee and employee matters are not open to the public, providing for licensing of vendors, increasing the minimum age to be present on the gaming floor, modifying the process for license suspensions and appeals of licensing decisions to reflect changes to the Gaming Commission's regulations.

For a copy of the proposed Gaming Ordinance amendments please contact the Tribal Attorney's office at 503-879-2265. The Tribal Council invites comment on the proposed amendments. Please send your comments to the Tribal Attorney's Office, 9615 Grand Ronde Rd., Grand Ronde, OR 97347.

Comments must be received by November 30, 2001.
