PUBLIC NOTICE

Proposed Amendments to Grand Ronde Gaming Commission Regulations, Minimum Internal Control Standards and Game Rules

The Grand Ronde Gaming Commission has proposed amendments to its Regulations, Minimum Internal Control Standards and Game Rules. The proposed amendments will be presented at the General Session during the November 16, 2001 meeting of the Grand Ronde Gaming Commission.

The purpose of the amendments is to make technical, organizational and substantive changes to the Regulations and Minimum Internal Control Standards to update them in light of changes to the Gaming Compact between the Tribe and the State of Oregon and pending changes to the Gaming Ordinance, and to provide for more efficient enforcement of applicable gaming laws. The organizational changes to the Regulations include, but are not limited to, the removal of game rules to a new document entitled "Game Rules" and condensing the Regulations into fewer, subject specific chapters. The substantive changes to the Regulations include, but are not limited to, modifying the process for appeals of licensing decisions to the Commission, modifying the process for taking disciplinary action against licensees, modifying the license renewal process, increasing reporting requirements of the gaming operation, and adding monitoring and control system requirements for Video Lottery Terminals (VLT). The Minimum Internal Control Standards were re-organized and condensed with amendments to the sections on poker tournaments, VLT jackpot verifications, complimentary and player tracking.

For a copy of the proposed amendments, please contact the Grand Ronde Gaming Commission at 503-879-2362. The commission invites comments on the proposed amendments. Please send your comments to the Grand Ronde Gaming Commission, P.O. Box 155, Grand Ronde, Oregon, 97347.

Comments must be received by December 21, 2001.
