NOTICE TO GENERAL CONTRACTORS

**GRAND RONDE TRIBAL HOUSING AUTHORITY
REQUEST FOR STATEMENT OF QUALIFICATIONS
LOW RENT HOUSING PROJECT**

Statements due 3:00 p.m., June 7, 2002.

This Request for Statements of Qualification (SOQ) represents a **General Contractor Pre-Qualification process** being conducted by the Grand Ronde Tribal Housing Authority in Grand Ronde, Oregon. This is **not** a Request for Bids. Contractor responses to this Request will be used to make a list of qualified contractors who will then be invited by the Housing Authority to submit competitive Bid Proposals to construct 36 low rent housing units (21 buildings). The project is expected to cost approximately \$3.3 million. The infrastructure is being constructed under a separate contract. Grand Ronde is located approximately 30 miles west of Salem, Oregon.

Contractors wishing to be considered must request a Qualification Packet as provided by the Authority and respond to the requirements put forth therein. The Packet consists of general information about the project, an AIA Document A305/Contractor's Qualification Statement, and additional questions deemed important by the Owner. Contractors wishing to be considered must also submit a letter from their Bonding Company stating intent to issue a 100% Performance & Payment Bond on the Contracting Company's behalf in the event the said Contracting Company is selected as the Contractor.

Qualification Packets including the completed Qualification Statement, accompanying questions and letter from the Bonding Company must be received no later than 3:00 p.m., prevailing time, **Friday, June 7, 2002**. Qualification Packets shall be sent to Grand Ronde Tribal Housing Authority, Attn.: Linda Layden, 9615 Grand Ronde Road, Grand Ronde, OR 97347; phone 503-879-2401. The Grand Ronde Tribal Housing Authority reserves the right to reject any and all Statements of Qualification for good cause if it is determined in the public interest to do so, and to waive any informalities in the qualification process.
