Governmental Corporations Ordinance Amendments

The Tribal Council, in consultation with the Tribal Attorney's Office, has made the following emergency amendments to the Governmental Corporations Ordinance. The amendments were adopted on a temporary basis at the February 5, 2003, Tribal Council meeting.

The purpose of the amendments is to prohibit Tribal assets from being used to indemnify any individual who has been specifically excluded from coverage under insurance policies which policies would otherwise cover the cost and expense of defending that individual. The amendments modify the Governmental Corporations Ordinance as follows:

- The words "Notwithstanding the above" are inserted at the beginning of the first sentence of Section (s)(2)(D).
- The following language is inserted as a new Subsection (s)(2)(D)(3) "if the director has been expressly excluded from coverage under any corporate or Tribal insurance policy which would otherwise cover costs and expenses incurred defending the claim or proceeding."

As amended Section (s)(2)(D)(1-3) reads as follows:

"(D) **Notwithstanding the above**, a corporation may not indemnify a director under this section:

1. in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or
2. in connection with any other proceeding charging improper personal benefit to him or her, whether or not involving action in his or her official capacity, in which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her;
3. if the director has been expressly excluded from coverage under any corporate or Tribal insurance policy which would otherwise cover costs and expenses incurred defending the claim or proceeding."
