### Grand Ronde Gaming Commission Position

The Grand Ronde Gaming Commission is seeking applications to fill the remainder of a current 3-year term expiring in June of 2006. The Tribal Gaming Ordinance requires this position to be filled by a non-Tribal member who has at least ten years of law enforcement experience, or has a Bachelor's Degree in criminal justice or related field and at least five years of law enforcement experience. Applicants must be at least 21 years of age. Commissioners may not hold elective or managerial Tribal positions, and may not be employed in or own any interest in or gamble in a gaming operation authorized by the Tribal Gaming Ordinance. Commissioners are independent contractors and expend approximately 40 hours per month to fulfill their responsibilities. The commission generally meets on the second and third Fridays of each month. Appointment is contingent upon successful completion of a background investigation. Applications may be obtained by calling 503-879-2362.

**Closing date is December 19, 2003, 5 p.m.**

### IN THE TRIBAL COURT OF THE CONFEDERATED TRIBES OF THE GRAND RONDE COMMUNITY OF OREGON

In the Matter of: **BORDEN BORDEN, Rebecca,**

Petitioner.  
for

**BORDEN, Shylee**  
(Minor Child)

**CASE NO. C-03-10-001**  
**ORDER TO SHOW CAUSE**  
**WHY**  
**APPLICANT'S PETITION FOR**  
**CHANGE OF NAME SHOULD**  
**NOT BE GRANTED**

The Petitioner, Rebecca Borden, on behalf of the minor child, Shylee Jane Borden, has petitioned the Court for a Change of Name for the minor child. The child allegedly desires to change her name to Shylee Jane Palanuk Mercier, for the reasons stated that: The child's last name differs from the last name of the parent or guardian and she wishes to assume the last name of the parent or guardian; Child, through regular use, has become known by the proposed name.

Based on the foregoing Petition filed with the Court on October 10, 2003, and good cause appearing therefore,

**IT IS ORDERED THAT** the Petitioner and any person objecting to the granting of the Petition shall appear in the Tribal Court of the Confederated Tribes of the Grand Ronde Community of Oregon, located at 9615 Grand Ronde Road, Grand Ronde, Oregon, January 22, 2004, at 10:00 a.m., to show cause why the Court should not enter judgement granting the proposed change of name.

**IT IS FURTHER ORDERED** that any written response to this Order by any party to this case shall be filed on or before January 22, 2004.

**IT IS SO ORDERED THIS 5th DAY OF December, 2003.**

**Katharine English, Chief Tribal Judge**

### Win A New Hunting Rifle Or Knife!

Help collect biological samples from deer and elk and your name will be entered in a drawing for a rifle or knife.

**1<sup>st</sup> prize:** hunting rifle of your choice up to \$450.

**2<sup>nd</sup> prize:** hunting knife of your choice up to \$50.

Drawing to be held at 5:30 p.m. on April 8, 2004 at the Fish & Wildlife Committee meeting at the Natural Resources office. Prizes sponsored by the Confederated Tribes of Grand Ronde Fish & Wildlife Committee.

**Why:** The Confederated Tribes of Grand Ronde Natural Resources Division, in cooperation with Oregon Department of Fish & Wildlife and USDA Veterinary Services, is collecting biological samples from deer and elk to learn more about diseases that may be affecting our deer and elk herds.

*Deer Hair Loss Syndrome* — is already present in the Grand Ronde area. Samples may help determine the cause and method of spread of deer hair loss syndrome.

*Chronic Wasting Disease* — has not been detected in Oregon. We want to catch this disease early if it shows up in Oregon as it can have devastating effects on deer and elk populations.

*Adenovirus Hemorrhagic Disease* — is not known in the Grand Ronde area but has been detected in southwest and central Oregon. Samples will help determine where adenovirus is found in Oregon.

How to Participate:

- Allow the Tribes' biologists to collect samples of brain stems from elk and samples of lice, blood and brainstems from deer.
- All samples must be collected within 48 hours of death, 24 hours preferred.
- Bring hunter harvested animals to the Tribes' Natural Resources office at 47010 S.W. Hebo Road, Monday through Friday from 8 to 4:30 p.m.
- If you are unable to bring an animal in we may be able to come to you to collect samples. Please contact the Tribe's biologists for more information.
- If the entire animal can't be brought in, then provide the hide for lice samples, the heart for a blood sample and the head for a brain sample. All parts can be returned after samples are taken.
- Hunters will need to provide the general location of where the animal was killed (to be used in the event that a disease is found).
- Your name will be entered in the drawing for each useable sample we are able to collect, up to one for each elk, and up to three entries for each deer.
- Fresh road kills can be reported to the Tribes' biologists so we can pick it up for sampling. Your name would then be entered for any useable samples we collect from the road kill.
- Tribal members and the general public are eligible to participate.
- **Animals must be harvested legally.**

The Fish & Wildlife Committee and Natural Resources Division thank you for your help in gathering information to help us maintain our deer and elk populations. Happy Hunting.
