"Ready To Do Business With America" — Tribal leaders, Tribal members and new staff were present at the Grand opening of Grand Ronde Station, the Tribe's new gas and convenience store, located just off Highway 18, adjacent to Spirit Mountain Casino. The Station, which employs 35 people, features both gas and propane service, a 24-hour car wash and discount gasoline to Tribal members, casino employees and Tribal employees.

Choices — The aisles of the convenience store were all stocked and ready to go when the store opened on December 19, 2003.

"Can We Take Your Order?" — The drive through at the Station, where customers can order from the Taco Time menu, or enjoy an espresso from Boyd's Coffee.

Bright & Shiny — A car wash is just one of the features of the Station, with a dollar discount off the price of a car wash with a fill-up.

Tortillas — Tasty taco shells wait for the hungry customers at the Taco Time.
