2nd Annual Gathering Ceremony & Potlatch

At 10 a.m. to 4 p.m. on March 17, 2004 at the Tribal Community Center, there will be a Blessing Ceremony for the starting of gathering ceremonial food. The Culture Committee would like to invite you to attend this ceremony. We will be having some spiritual people doing different ceremonies from the coast. We would greatly appreciate your attendance. We will be serving different cultural foods. This will be a time of giving thanks to the Creator for our existence. The food is being prepared by members of the Culture Committee. Everyone is welcome!

ELECTION BOARD ALTERNATE VACANCY

The Election Board is seeking a Tribal member to fill a vacant alternate position on the Election Board for a term expiring in April of 2005. Alternates are appointed by Tribal Council and serve in lieu of Board members who are disqualified from serving or unable to serve in an Election. Alternates may also observe election functions and perform incidental tasks at the request of the Board. If you are interested in being an alternate and you or an immediate family member are not planning on being a candidate in the 2004 Tribal Council Election, please send a letter of interest to Nancy Coleman, Election Board, P.O.
