PROPOSED PUBLIC SAFETY ORDINANCE AMENDMENTS

The Tribal Council, in consultation with the Tribal Attorney's Office, has proposed amendments to the Public Safety Ordinance. The first reading of the proposed amendments was made at the April 21, 2004, Tribal Council Meeting.

The purpose of the amendments is to address issues that routinely arise regarding use of Tribal Lands for campaigning activities, such as signs, distributing campaign materials, emails, etc., and public demonstration activities, such as protests and pickets. The proposed amendments provide instruction on permissible campaigning and public demonstration activities on Tribal Lands to ensure such activities are done in a manner which protects the peace, health, safety, welfare, and economic security of residents and visitors to Tribal Lands. The proposed amendments include, but are not limited to, the following:

Establish a policy on campaigning activities on Tribal Lands and provide that it is a violation of the Public Safety Ordinance to do any of the following activities regarding campaigning: (1) solicit or distribute campaign materials or petitions on Tribal Lands used for commercial or governmental purposes during normal business hours, with the exception of any government sponsored candidate forum or during the annual pow wow; (2) use Tribal resources, including equipment such as telephones, voicemail, e-mail, fax machines, computers and printers to solicit or distribute campaign materials or petitions; (3) erect or maintain a political sign on Tribal Lands used for governmental or commercial purposes, or the common areas of Tribal Lands used for residential purposes; (4) erect or maintain a political sign on Tribal Lands used for residential purposes without the permission of the occupant of the premises on which the sign is located; (5) erect or maintain a political sign on Tribal Lands used for residential purposes earlier than the date of nominations for Tribal Council and later than ten days after the election.

Establish a policy on public demonstration activities on Tribal Lands which includes a permit requirement and the designation of a public demonstration area and provide that it is a violation of the Public Safety Ordinance to engage in activities that block or interfere with traffic or access to Tribal buildings, that harass Tribal Representatives or visitors, incite violence, or threaten or cause physical harm to any person or property.

For a copy of the proposed Public Safety Ordinance amendments, please contact the Tribal Attorney's Office at 503-879-4664. The Tribal Council invites comment on the proposed amendments. You may also send written comments to the Tribal Attorney's Office, 9615 Grand Ronde Road, Grand Ronde, OR 97347.

Comments must be received by May 28, 2004, at 5 p.m.
