Public Notice Open For Comment

Public Notice for Comment on the Grand Ronde Tribe's Application for 2005 Low Income Home Energy Assistance Program (LIHEAP) Funding

The Grand Ronde Tribe obtained a LIHEAP grant last year from the Division of Energy Assistance within the U.S. Department of Health and Human Services. This grant program assists income eligible Tribal members with energy assistance (utility bills, fire wood, etc.), crisis energy assistance, and weatherization (e.g. furnace repair, caulking, insulation). The Tribe is considering adding cooling assistance to the 2005 LIHEAP plan/application.

The Tribe's LIHEAP service area currently includes the counties of Polk, Yamhill, Marion, Multnomah, Washington, Tillamook and Clackamas. For the proposed 2005 application the Tribe is considering adding Columbia, Clatsop, Lincoln, Lane, Linn, Benton, Douglas and Coos counties.

If you are interested in obtaining services from the current program please contact Social Services at 800-242-8196 for energy assistance and the Grand Ronde Tribal Housing Authority at 503-879-2405 for weatherization.

The Tribe is taking public comment on the 2005 LIHEAP application which is to be submitted by September 1, 2004. A draft will be available for review at the Planning & Grants Development Department at the Tribal Governance Center on August 20, 2004. It will also be available at the Housing Authority booth at the Pow-wow. You may also call Planning & Grants Development at 503-879-2250 with your comments on the plan or to obtain more information about the plan.
