The Ordinance:

- states that Finance Officer shall cause a notice to be sent out to each Tribal member on the Debtor Lists within 10 business days of receiving the Debtor Lists
- provides an opportunity for Administrative Review by Finance Officer
- delineates the Appeal Procedure and Tribal Court Action permitted if the debtor is not satisfied with the decision made by the Finance Officer
- offers Debtors the opportunity to request a Payment Plan and identifies the steps to be taken in the event payments are not kept current
- defines the responsibilities of Finance Officer with respect to processing amounts to be credited to each Debtor after funds are withheld from the Tribal Payments or payments are received pursuant to a Payment Plan
- identifies how payments shall be proportionally distributed and credited in the event of multiple debts exceeding the amount of the Tribal Payment
- provides for staged implementation in which the total amount withheld from a Debtor's share of the Gaming Per Capita Payment made in 2005 shall not exceed 50 percent of such Gaming Per Capita Payment
- requires each Tribal Entity to maintain a current list of those Tribal members having outstanding and delinquent debts which shall be available to other Tribal Entities upon request
