### Letters

Dear *Smoke Signals*,

I wish to express my deep appreciation to each and everyone who helped me make my "healing ceremony" possible.

Since it's impossible for me to individually name all people and family members involved without over looking anyone accidentally, I send my heartfelt "thank you" to all people, businesses, departments, entities and the Tribe as a whole and the community we live in.

I pray for all and again, thank you for your prayers.

**Kathy Provost, Don & family**

Dear *Smoke Signals*,

We would like to express a heart felt thanks to all family and friends that have been by our sides to express sympathy during the illness and death of our mother Arlene Giffen-Beck. A special thanks to Auntie Val and her family for the massive amounts of support during this difficult time. It is great to be apart of such a great and loving family.

Love you all,

**Mike, Jack (Ike) Giffen and families**
