Grand Ronde Health & Wellness Center Holiday Food Drive

It's getting to be that time of year again. The days are getting shorter, the nights are getting colder and the holiday season is quickly approaching. The smell of pumpkin pie, turkey and homemade rolls should be filling the homes in our community. Unfortunately, there are many people right here in our own town who do not have the luxury of big Thanksgiving or Christmas dinners. The staff here at the Grand Ronde Health & Wellness Center would like you to help us take part in a food drive.

Please help us by brining in your donations! Donations of canned and/or non-perishable food items will be accepted at the Grand Ronde Medical Clinic from November 1 to December 16, 2005. All food collected will be given to local community food banks.
