White Wolf Sanctuary is owned and operated by Lois Tulleners White who has been working with wolves for the past twenty years. The arctic wolf sanctuary is 10 miles east of Waldport.

Arctic wolves are a gray wolf sub-species found mostly in Arctic Canadian islands and Greenland. There is an estimate of less than 200 arctic wolves left.

You can go to her website at www.whitewolfsanctuary.org and find out more information about this non-profit sanctuary.

All are welcome to join us. At this time we do not have a office vehicle for transportation, so we will be car pooling. Any Elders needing to be picked up from their home and delivered back safely home can call 1-541-484-7085. We have Tribal volunteers for this service.
