Attention: High School Juniors (Entering Seniors for fall 2006)

If you think you may be attending college, it is a really good idea to take the SAT or ACT test (college entrance exams) in June 2006 because your math and grammar concepts are still fresh in your brain and the rush of deadlines for high school seniors are still a summer away. If you are not satisfied with scores from the June test you will have time to re-take the test in September or October 2006.

To Register, go to www.collegeboard.com (for the SAT) and www.act.org (for the ACT).
