

Ft. Yamhill BBQ

On Monday, August 21, the Culture Department teamed with Oregon State Parks and held an appreciation barbeque to honor those who have spent their time and effort in the opening of the Fort Yamhill State Park.

In the shadow of Spirit Mountain, this historical marker (right), explaining the history of the Blockhouse, is one of many on the Fort Yamhill tour.

The official grand opening of the park is scheduled for September 9, 2006.
