Attn: Disabled Tribal Veterans Ages 18-54

Tribal Council has approved a new Tribal benefit; the Veterans' Disability Compensation Program that will be implemented immediately. The purpose of this program is to provide supplemental income to disabled Tribal Veterans between the ages 18-54 who are determined to be disabled by the Veterans' Administration from injury or disease while in the line of duty.

To be eligible for the program, Tribal Veterans must meet all of the following requirements: 1) be currently receiving Veterans' Disability Compensation through the Veterans' Administration; 2) fall within the Tribally established income guideline (80% of median income according to family size, excluding Tribal timber and per capita payments; and 3) be ineligible for the tribal Elders' Pension, Elder SSI/SSD or non-Elder SSI/SSD programs. Listed below is the Veterans' Administration definition of Veterans eligible for Veteran's Disability Compensation:

Disability Compensation is a benefit paid to a Veteran because of injuries or diseases that happened while on active duty, or were made worse by active military service.

If you are not currently receiving Veterans' Disability Compensation through the Veterans' Administration, but think that you may be eligible, you can apply electronically/on-line by going to the Veterans' ON-line APPLICATION (VONAPP) Website; the web address is: <http://vabenefits.vba.va.gov/vonapp/main.asp>.

We encourage Tribal Veterans (between the ages of 18-54) meeting the requirements mentioned above, to contact the Tribe's Member Services Department and request a Veterans' Disability Compensation Program application.

Please call Reina Nelson in the Member Benefits department to answer questions you may have about the program and/or to request a program application. Reina can be reached at 503-879-2223 or toll-free at 1-800-422-0232 ext. 2223 and reina.nelson@grandronde.org.

Tribal Veteran Elders, age 55 and over, do not qualify for the Veterans' Disability Supplement Compensation program because they should already be receiving Elders' Pension or Elder SSI/SSD.
