**Tribal Library News**

**NEW LIBRARY HOURS:**

**Monday - Friday: 9 A.M. - 6 P.M.**  
 (closed Monday - Friday Noon - 1 P.M.)  
**Saturday: 10 A.M. - 2 P.M.**

My name is Spencer Olson and this year I worked in the Tribal Library. Throughout the program I had a total of four goals.

- ◆ My first goal was ongoing, and consisted of learning library operation, keeping the book shelves in order, checking in and checking out books, cataloguing new items, and to reshelving books and movies as needed.
- ◆ Another goal was to increase awareness of the library among youth. One way was by holding a movie day in the Youth Ed Building. The movie day was held for the last four weeks of the program and all movies were animal related.
- ◆ My third goal was to develop, distribute and compile the results of a survey to see what the Tribal Library could do to improve services to teens.
- ◆ My final goal was to create a book of the week review that would show anyone who visited the library what that week's recommended book was. Each week the book pertained to a different age group ranging from pre-k to adult. The books included "Holes," "The Lion, the Witch and the Wardrobe," "Moby Dick," "The Unauthorized Autobiography" and "B is for Beaver."

Incorporated into the goals was to track each of each goal and have a timeline of when they were finished. I kept track of them by keeping an electronic list on the computer and highlighting events depending on whether they were complete, in progress, ongoing, or not yet started. The entire page was highlighted as complete by the final day of work.

My experience in the library was a good one. I learned how to input information into a database, I learned valuable organizational and editing skills, and I learned how to check catalogue files for errors. This position is challenging and keeps you occupied right up to the last day. I personally would recommend the library position to any future SYE Program youth.

**Recruiting Native American Students**

The Sapsik'wawá Community Project under the College of Education, University of Oregon has been awarded \$1.2 million by the Department of Education to increase the number of American Indian teachers in schools serving American Indian students. This is a four-year project aimed to recruit and support 14 AI students by earning a masters degree in education and teaching licensure for the state of Oregon in regular or special education at the early intervention, elementary or middle/high school levels. We are recruiting AI students to begin June, 2007.

If you are interested in applying or would like additional information, please contact the Sapsik'wawá Community Project at 541-346-2454 or Patricia Rounds at 541-346-1056 between the hours of 8 a.m. to 5 p.m.
