Since 1994, the Watoto Children's Choir from Kampala, Uganda, has toured the U.S., Canada and Great Britain. Their performances are a soulful blend of native African rhythms, contemporary gospel music and ethnic dance.

These children are among the more than 2 million children in Uganda that have had the tragic and life-altering experience of losing one or both of their parents to the AIDS virus or to war.

Now, through their inspiring performances, the Watoto Children's Choir share their unique experiences as well as their newfound joy and hope.

Join us for an incredible evening of music, song, dance and spirituality.

A free will offering will be collected.
