**Remembering You
by Angela Sears**

*I remember the way your face
would crinkle up
when you smiled real big.
And when you laughed
it made me want
to laugh with you.*

*I remember your
long wavy hair
And how it blew in the wind,
But it never seemed
to be out of place.*

*I remember your
beautiful voice
when you sang with the radio,
And how good it
made me feel.*

*I remember these
things about you.
But as the years go by
I can't help but think,
I used to remember
so much more.*

*Now that I have grown up
people look at me and say,
You look just
like your mother.
I smile and say thanks.*

*And now if I feel that
I am forgetting,
I simply look in the mirror
And smile,
And I remember you.*

Happy 10th Birthday
**Trinity Rose
Flowers-Ellis**

Forever and always, you
hold the key to my heart.
Love, Daddy.

Please note that we receive
numerous Tribal life (birthday
announcements, etc.) each
month. Due to space issues,
sometimes we do not have
enough room to put them
in the issue you may have
requested. They will be
put in as soon as space is
made available in upcoming
issues. Thank you for your
understanding.
