

# Japanese Taiko Drummers Visit Tribe's Literacy Night

Tribal members J.C. Rogers (l to r), Josie Justen, and Madison Justen read along at the K-5/ Youth Education Literacy Night on Thursday, March 15. Because of the special visit from the Japanese School Taiko Drum Unit of Sheridan, the book selection for the evening was the Japanese folktale, "The Bamboo Cutter and the Moon Maiden." Hannah McCallister (r) takes an opportunity to try out the traditional Japanese Taiko drum.
