Walking On...

Cassandra Lynn Newman

July 30, 1972 — April 15, 2007

Tribal member Cassandra Newman passed away on April 15, 2007. She was only 34. Cassandra was born in Randle, Washington to the proud parent's Clarence W. and Tribal member Margaret E. (Taylor) Patching who preceded her in death on April 1, 2004. Sandra is how her family referred to her. Her nephews, great nephews, and great nieces referred to her as San-San, except for one great niece who was named after our mom, Jasmine Margaret Ann Bastin. Sandra was the only one who called her baby Margaret and to Jasmine Sandra she was known as "sunshine." We figure that she came to believe her name to be sunshine because from birth till now age 2, Sandra sang to her the song "you are my sunshine my only sunshine." Now baby Margaret who does not understand why she cannot see her sunshine. We tried to explain that now she shines down from above for all to see.

Sandra was raised in Rainier, Oregon, later moving to Skamokawa, Washington. Sandra leaves behind three sisters; Tina Bastin, Debbie Bastin and Rhonda Bond; father Clarence W. Patching. Sandra has also left behind her husband of 12 years, Carl E. Newman, and two daughter they raised, Cassie Jane, who was four months old when she came to live with them along with her sister Crystal, who was two at the time. Our little sister will be greatly missed, however we do take comfort knowing she is with our mother and she no longer suffers from extensive medical conditions that we new she would never recover from. She has finished her journey in life on earth, now she walks on to live in peace for all eternity. Our family has gained so much from being enrolled Tribal members. No word's can express how great full we are, we were not financially prepared for mom or Sandra's burial expenses. We feel without the Tribal burial benefit that our family would not of been able to give our loved ones the kind of service they deserve. So the family of Cassandra L. Newman, would like to say thank you for without your help, this untimely death would of added financial stress on top of grief and sorrow. Many thanks to all family members who helped us during our time of need. A special thank you goes to our mother's sister, Aunt Evelyn Stevens of Yakima, who comforted us and prayed with us girls. She encouraged us to be strong for mom and Sandra. She listened to our cry's of pain. We are so blessed to have her as our aunt. Thank you all, Rhonda Bond, Tina, Debbie, Clarence Patching (Dad) and Carl Newman (husband).

OPEN FOR COMMENT

PUBLIC RECORDS ORDINANCE OPEN FOR COMMENT

The Tribal Council, in consultation with the Tribal Attorney's Office, is considering adoption of a Public Records Ordinance. The proposed Ordinance was given a First Reading at the May 2, 2007, Tribal Council Meeting.

The purpose of this Ordinance is to set forth an orderly method for Tribal members to request and receive copies of, or access to, certain Tribal records. The Tribal Council believes that Tribal Administration has a responsibility to inform its members about matters of interest to the entire membership, and that making Tribal records available to Tribal members helps fulfill this responsibility. The Tribal Council further believes that Tribal government should be open and transparent, but recognizes that the protection of Tribal sovereignty and culture prevents disclosure of some Tribal records.

Among other things, the Ordinance (1) creates the position of Records Administrator and defines this position's duties and responsibilities, (2) defines what records are subject to and excluded from disclosure, (3) sets forth the process for requesting copies of or access to Tribal records, and (4) provides a process to appeal denials of requests.

For a copy of the Public Records Ordinance please contact the Tribal Attorney's Office at 503-879-4664. The Tribal Council invites comment on the Ordinance. Please send your comments to the Tribal Attorney's Office, 9615 Grand Ronde Road, Grand Ronde, OR 97347.

Comments must be received by June 15, 2007.
