Humboldt State University Scientific Leadership Scholars Program

Students in good academic standing in Computer Science, Environmental Resources Engineering, or Mathematics will receive annual scholarships of \$3623 as a part of their total financial aid package. This scholarship will reduce the need for student loans or to work while a student. Applicants will receive assistance with federal financial aid forms (FAFSA) and applications for other sources of funding to supplement scholarship and cover expenses. Native American students and students that are first generation to attend the university will be priority applicants. However, any student that meets the academic standards and financial need requirement will be considered. For more information, please visit www.humboldt.edu/~sls, call 707-826-4348, or email sls@humboldt.edu
