National Indian Education Association Scholarship Database

The National Indian Education Association launched a scholarship database for a variety of majors and degree types. Scholarships are listed in order of deadline date with deadlines all the way to October 2008. Visit their Web site at www.niea.org/media/scholarships.php to see which ones you are eligible for.

Activity sponsorship for children

Early Childhood Education is now offering activity sponsorship for preschool-age children involved in any recreation or educational program for up to \$200 per year. Please contact Sandy Bobb at 503-879-2161 for an application and for any questions you may have.

My name is **Aubrey Leno** and I am working my summer youth internship at the Grand Ronde Tribal Library. Below is a book review I wrote.

2007-09 Oregon Drivers Manual

The *Oregon Drivers Manual* is a non-fiction book that teaches the need-to-know facts about driving. Everyone who wants to pass the Oregon Drivers Test should read this in order to successfully complete the required knowledge test.

There is an audio CD for the driving manual that is only an audio of the book. You need to look at the book to follow along and see the pictures. If you prefer listening over reading, the CD would be the way to go.

I believe this book describes everything you need to know very thoroughly and simply. It even has a quiz at the back of the book so you can test your own knowledge. It is my opinion to read the book at your own pace. I think that with this book, anyone can complete the test with flying colors.
