Hello! My name is Peter Nelson and I am currently working in the CTGR Tribal Library as a part of the SYE (Summer Youth Employment) program in hopes of furthering my literary skills and abilities. I live in Sheridan which is about 12 miles away from the Grand Ronde facilities, but I go to school and attend activities within Willamina and Grand Ronde. Reading and literature is a great habit to get into and when doing it you often find yourself relaxed and relieved of anything that's bugging you. Reading is great when you get spare time or just happen to pick up a book and start reading. My favorite author is Joseph Bruchac who is the author to many Native American books that are a part of the Tribal Library collection. So I hope you'll come on by and give us a visit. We'll be waiting!
