Oregon launches toll-free Adult Learner Resource Line

The state of Oregon has launched a toll-free Adult Learner Resource Line (1-877-84U-4NOW or 1-877-848-4669) and Web site (www.OregonOpportunities.gov) for Oregonians interested in returning to college, or enrolling for the first time. Funded through a \$1.4 million grant from the U.S. Department of Education, the Adult Learner Line is specifically for Oregonians ages 25 and older who are interested in going to college, but need some help and direction on how to enroll, seek financial aid and generally navigate the process. The Adult Learner Line and Web site are just one component of the College Access Challenge Grant Program funded last year through the federal government, which is directed at increasing awareness of and access to postsecondary education in Oregon.

The Adult Learner Line and Web site are supplemented by other Oregon-based resources, such as OSAC's financial aid Web site, www.GetCollegeFunds.org, which helps Oregonians understand the types of aid available to them, deadlines for applying and other college-related information. ■
