Free MBA Program at Wake Forest University

The Master of Art in Management program is designed specifically for liberal arts majors only. The MA degree program is a 10-month intense study of the basic functional areas of business. After graduation and working for approximately two years, all MA graduates are eligible to apply to Wake Forest as part of the MA/MBA joint degree program and get the MBA in one year. The new Dean, Steve Reinemund, has created a new scholarship for diverse students pursuing the MA degree called the Corporate Fellowship.

The Corporate Fellowship provides full tuition and a \$21,000 stipend to cover living expenses. Additionally, each Corporate Fellow will participate in a practicum. The practicum has two components: educational and professional development. Each student will be assigned a mentor who is a high level executive with their sponsor corporation. The mentor will oversee an educational project covering four of the functional areas of business using their own corporation as the subject.
