LIBRARY HOURS:

Monday – Friday: 9 A.M. – 6 P.M.
(closed Monday - Friday: noon – 1 P.M.)
Saturday: 10 A.M. – 2 P.M.

Library Expansion: Construction is under way with completion expected in mid-April. Please be aware that there may be times we need to close the library with little advance notice as a safety precaution of people and property. We will make every effort to provide notification of closures if and when possible.

Some of the Tribal Library collection has been placed in storage as well as most of the furnishings, two of the computer stations and some of the shelving. While we have remained open, services are limited to circulations and computer use. Donations are being accepted at this time, but they will remain in storage until construction is complete and full operations resume.

Tiny Tots Program: The program has been canceled until completion of the expansion project and will resume in May.

Learning Express Library: The Library is connected to a new online resource for students and job seekers. The Learning Express resource database offers a wide range of tools, including exercises for learning computer skills, tips for writing better resumes and practice tests for the GED, SAT/ACT and citizenship exams. Learning Express also includes courses for improving reading, writing and math skills for children and adults.
