Rob McIntyre, a journeyman carpenter with Wood Mechanix out of Portland, cuts a board for a fascia, which is part of the roofing, as he works on the Tribal Library expansion on Tuesday, March 8. The Tribe received a \$325,000 Indian Community Block Grant that will help double the size of the current 1,390-square-foot facility. The Tribe added about \$110,000 in matching funds to pay for the needed expansion.
