K-5 2012-13 Afterschool Program for Tribal and Native American youth

Beginning on Monday, July 16, applications for the upcoming K-5 Afterschool Program will be available at the Youth Education Building.

Sign-up week for the program will be Monday, July 30, through Friday, Aug. 3, during regular business hours. Only completed applications for this highly competitive first-come-first-served program will be accepted (incomplete applications will not be accepted).

A checklist of required documentation that needs to be included with the completed application will be attached to the application form.

Eligibility requirements, as stated through the Child Care Development Fund Grant, states that parent(s)/guardian(s) must be in school, working or in a training program during operational hours for a youth to participate.

The program will begin on Monday, Aug. 27.

As space is limited, a waiting list will be created for those applicants who are not awarded one of the few open spaces.

The program is open to all Tribal, descendant and Native American students.

Please contact Tiffany Mercier at 503-879-2101 or Matt Bucknell at 503-879-2224 with any questions. ■
