

## Thanking the employees

Photo by Michelle Alaimo

Erin Muchmore, a dental hygienist for the Tribe, receives a gas gift card as a prize after winning a game of bingo during the Employee Appreciation Barbecue at the Youth Education Building on Wednesday, Sept. 26. Luck was on her side as it was the first of two games that she won. Bingo was sponsored by the Education Department and April Campbell, right, Education Department manager, called the numbers and Amber Yates, second from right, who does patient registration for the Health & Wellness Clinic, helped her. The annual event was attended by Tribal Council Chairman Reyn Leno, Tribal Council Vice Chair Jack Giffen Jr., Tribal Council Secretary Toby McClary and Tribal Council member Jon A. George. Staff members were thanked for their hard work and conscientious spending of Tribal dollars during the past year. The event was put on by the Tribe's Human Resources Department.

## Volleyball nights begin

The Tribe's Recreation Program has started an open volleyball night every Wednesday from 5 to 7 p.m. in the Tribal gym. Volleyball is open to anyone who wishes to participate. For more information, contact Recreation Coordinator Matthew Mosley at 503-879-1369 or matthew.mosley@grandronde.org. ■

## Forest passes available

The Tribe's Natural Resources Department has free annual Northwest Forest Passes available for enrolled Tribal members. The pass is valid for one year from date of issue.

The Forest Pass is valid at day-use sites in Oregon and Washington where "Recreation Pass Required" signs are posted.

Some examples are Hebo Lake Picnic Site, Derek Road Trailhead, Quinalt Rain Forest Trailhead, Tumalo Falls Trailhead, Lava River Cave Interpretive Site, Crane Prairie, Bagby Hot Springs Trailhead, Wickiup Plains Trailhead, Lake Serene Trailhead, Clear Lake Public boating site and West Fork Humtulis Middle Trailhead. The Forest Pass does not cover fees for snow parks, some concessionaire-operated sites, developed campgrounds and cabin rentals, wilderness climbing and river permits.

For more information, contact the Natural Resources Department at 503-879-2424 or visit the Tribal Web site at [www.grandronde.org/departments/natural-resources](http://www.grandronde.org/departments/natural-resources). ■

## Biological disease sampling discontinued

The Tribe's Natural Resource Division will be discontinuing deer and elk biological disease sampling and annual drawing. The Oregon Department Fish and Wildlife which conducted the lab analysis for the Tribe, will be focusing their Chronic Wasting Disease monitoring efforts along the Idaho and Nevada borders and in areas where deer and elk are farmed. Thank you to all those who have participated in this program. ■
