## Changes to Social Services Emergency Assistance and Medical Gas Voucher Program

For all income criteria programs, wage verification for past 60 days (wage stubs) will need to be submitted. If client has not worked for a period of time, client will need to submit a printout from their State Employment Office or printout from Oregon Self-Sufficiency Office as verification of income. Rental/deposit or utility assistance may be utilized only one time in a 24-month rolling calendar period and is not to exceed the maximum contribution of \$1,000 per household within any 24-month rolling calendar period.

### Medical Gas Vouchers

Social Services will not provide gas vouchers for medical appointments, counseling or drug & alcohol treatment. The only exception to this is for scheduled treatment plans, (i.e.: radiation, chemotherapy, surgery, etc.) and has caused hardship on the family, medical gas vouchers can be distributed to meet the need of the circumstances. A copy of all scheduled treatment plans must be received before client is eligible to receive this service. Assistance will end on the date of the last treatment appointment.
