

Courting good grades

Submitted photos

On Sunday, April 7, 10 Tribal youth were rewarded for their excellent grades, wonderful school attendance and community service efforts as part of the Youth Education Department's Incentive Reward Program. Five students with the highest grade point averages were rewarded with participation in the T-shirt exchange on the court where Portland Trailblazer team members presented them personally with a T-shirt. For more information on how your middle/high school student can participate, contact the Youth Education front desk at 503-879-2101.
